Items received (Check all that apply): H2O Registration _____ Insurance Policy _____ Dates of coverage _____ Vehicle Info_____ Balance Paid _____

Core Values: Teamwork . Integrity . Commitment . Service

MOTOR BOATING WAIVER & RELEASE

IMPORTANT INFORMATION

The Wauconda Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Wauconda Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participant's safety. However, participants and parents/guardians of minors registering for this activity must recognize that there is an inherent risk of injury when choosing to participate in motor boating.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

When motor boating, make sure that every person on board wears life jackets or personal floatation devices. Check weather conditions before leaving, carry a radio to receive regular weather reports and keep an eye out for storms. Never allow anyone to ride in the bow – keep all passengers in their seats. Do not overpower your boat by exceeding its horsepower rating – overpowered boats are very unstable and can capsize when turning. Too much weight caused by too many people and/or gear can cause the boat to capsize or sink. Power-driven boats should always give the right of way to sail-boats, canoes, rowboats, and other boats without motors.

WARNING OF RISK

Motor boating can by dangerous and risky. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including death. All hazards and dangers cannot be foreseen. Certain inherent risks include failing to follow safe boating rules and regulations, drinking alcohol, failing to yield the right of way to other boats, traveling too fast for water or weather conditions, overloading the boat, carelessness or horseplay, inexperience, improper installation and maintenance of equipment, collisions between boats, striking natural or artificial surface or subsurface objects, failing to wear life jackets or personal floatation devices, loosing control of the boat, acts of God, dangerous weather and water conditions, inadequate instruction/supervision, and all other risks inherent in motor boating. In this regard, it must be recognized that it is impossible for the Wauconda Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in this activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this activity (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in this activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this activity against the Wauconda Park District, including its officials, agents, volunteers and employees.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims.
