

Launch Options:

- **DAILY LAUNCH**

- We do not have a daily launch option for Bangs Lake until the Bangs Lake Marina (231 E Liberty St) launch opens, **tentatively** scheduled for June 10<sup>th</sup>. This marina will be quite busy when we are able to open, so I'd highly recommend contacting us before you come for the day to make sure that you have access. More info below.

- **PUBLIC BOAT OWNER LAUNCH DATES**

- We are offering dates and 15-minute launch times for boat owners who live on the lake and need to launch their boat for 1 time for the season. This is not a daily launch option. This is a Drop-and-Go-style one-time launch for boat owners to get onto Bangs Lake for the boating season. Launching will be available at our Beach Park Marina (121 Murphy Street).

- **PLEASE NOTE:** Not applicable for a daily visit to Bangs Lake. ONLY for Boat Owners needing a one-time launch for the season.
- **PLEASE NOTE:** Patrons MUST have at least 2 people helping. 1 on the boat to take it to your location and 1 remaining in the vehicle. There will not be extra parking available.
- **PLEASE NOTE:** Vehicle and Trailer MUST be able to make a turn on Murphy Street into the Beach Park Marina parking lot. This is a sharp 90-degree turn. Please drive your vehicle to this location to see if you can make it before signing up for a time/date. If a boat company is delivering your boat, please make sure they are aware of this area **BEFORE** bringing your boat to launch.
- **PLEASE NOTE:** Your boat must be ready to be launched as soon as you arrive. You can get your boat ready at Cook Park Parking Lots (600 North Main Street) and/or Phil's Beach Parking Lot (328 North Main Street).
- **PLEASE NOTE:** The launch fee will be \$25. This can be paid on site via credit/debit card, cash, or check (Made payable to Wauconda Park District).

Below is the link and QR code that patrons can access to sign up for a specific 15-minute timeslot on one of the dates.

[Beach Park Marina - Public Boat Owner Launch Dates - 121 Murphy Street – Fill out form](#)
