

Yes, you can sign up online. Below is information about parking permits.

- Registration begins on 8/1/24 at 8:30 am.
 - Registration forms are attached for each lot.
- We will allow online registration this year, as well as, in person registration.
 - In person registration will have a sign in sheet with numbers. Patrons can come as early as 5:00 am, when we open Fitness First, to sign in and take a number. We will help those customers who are here in person with the number system, but this DOES NOT GUARANTEE A PARKING SPOT as both in person and online open at the same time.
- Patrons can currently go on our website and add their selected lot to their own "Wish List". On the day of the registration they would just need to log in, go to "My Wish List", and then at 8:30 am on 8/1/24 they can sign up.
- Fee is \$120 for the school year. This is the same fee that the Wauconda High School charges.
- Parents/guardians can sign student up for a parking pass and sign off on the rules (online or in person).
- Students have to read and sign off on rules before a pass is issued.
- Passes are available for pick up beginning 8/5/24 at 8:30 am.
- All parking spaces will be numbered. If students are parked incorrectly they will be ticketed/towed.
