Dear Residents,

It has been an exciting few months since my last Director's Message. I know it is hard to believe, but the holidays will soon be upon us. Believe it or not, plans have already begun for Wauconda Fest 2024 in June and the Annual Triathlons in July. Keep an eye out for early information on both events in the upcoming Spring/Summer Guide due out mid-March.

Comprehensive Plan – Over the last year, the District has been working with Hitchcock Design Group on developing a District Wide Comprehensive Plan. This process included a community survey, stakeholder and public input meetings, interviews with staff, and completing an inventory of all the amenities in all our parks. The information collected was then organized into a roadmap for park improvements throughout the next six years. In October 2023, the Park Board of Commissioners approved the plan and are looking forward to implementing the key points of the plan for the betterment of the District's residents. The Comprehensive Plan can be found on the District's website under the General information tab.

Frequently Asked Questions (FAQ) – In October 2023, the District completed a plan to add a frequently asked questions page to the District's website. This page represents a quick and easy link to some of the District's most asked questions. When you get a chance, visit the page at www.waucondaparks.com/faqs and learn something new about your Park District. Information will be updated periodically throughout the year.

Osage Park Redevelopment – Pre-Construction work has begun on the Osage Park Redevelopment project. Boundary and topographical surveys, along with soil borings have been completed. Staff is working with Hitchcock Design Group for the design and construction management phases of this project. It is expected that bid documents will be prepared and out in January with construction expected to begin in early Spring 2024. This project calls for the resurfacing of the tennis courts with a transformation of one court to two pickleball courts, resurfacing the basketball courts, creating one basketball court and one pavement soccer court, small fitness area, rain garden with interpretive signage, increased accessibility to all amenities, and additional landscape to enhance the beauty of the park. The District received an OSLAD (Open Space Land Acquisition and Development) Grant from the Illinois Department of Natural Resources to fund half of the cost of this project.

Programs and Special Events – Please take some time and look through this guide. Our recreation staff has been working hard to develop new program ideas to meet your needs. Most of the usual favorites are included but check out some of the new programs like the Royal Ball and Flower Arranging (page 8), Dad and Me Project Time (page 15), and partnership programs with Catholic Charities and Wauconda Township (page 31).

Help Wanted – Calling all High School/College students and Retirees. It is never too early to start thinking about that summer job. We offer a wide variety of opportunities from park maintenance to camp counselors. See our ad on page 11. Apply soon, as positions fill quickly.

In closing, I wanted to thank you all for your support and continued patronage. We really appreciate seeing all the happy people coming to our parks and facilities to recreate. We look forward to seeing you again soon!

Happy Holidays and best wishes for another great year in 2024!

Sincerely,
Tim Staton, CPRP

Creative Dance

Creative Dance blends movement, music, improvisation, and basic dance steps while providing an excellent introduction for the future study of all dance techniques. Students learn dance fundamentals while improving motor skills, self-expression, confidence, imagination and social development. Dancer must be fully potty trained, no pull-ups. This is a drop off class.

Pre-Ballet / Pre-Ballet and Tap

This program takes the basics of ballet technique combined with props and imagination and gives the children a fun and educational class. Large motor skills are highlighted as well as stimulating the brain's coordination. Pre-Ballet and Tap classes also explore rhythms and smaller motor skill. This is a drop off class.

Pre-Jazz

Jazz is a funkier form of dance. This is an introductory class with jazz basics to fun and kid-friendly music. Dancers will learn the beginning steps of jazz and work on picking up choreography sequences that fuse style and technique. This is a drop off class.

Hip Hop

Hip-Hop evolved out of street and break dancing and is characterized by its athletic and bouncy style. Hip-Hop is set to a strong, contemporary beat, builds stamina, and emphasizes body isolations, attitude, coordination, freestyle movement, and rhythm. This form of dance is seen in music videos.

Waiver

The Wauconda Park District is committed to conducting its recreation programs in a safe manner and holds the safety of participants in high regard. The Wauconda Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury, or impairment, to consult a physician before undertaking any physical activity.

Warning of Risk

Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity/program. Understandably, not all hazards and dangers can be foreseen. Participants must understand that certain risks, dangers, and injuries due to acts of god, inclement weather, slipping, falling, equipment failure, failure in supervision, premises defects, and all other circumstances inherent to recreational activities/programs exist. In this regard, it must be recognized that it is impossible for the Wauconda Park District to guarantee absolute safety.

Waiver and Release of all Claims and Assumptions of Risk

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages, or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity (including transportation services, when provided.)

I recognize and acknowledge that there are certain risks of physical injury to participants in this program/activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Wauconda Park District, including its officials, agents, volunteers, and employees (hereinafter collectively referred as "Wauconda Park District").

All personal information given to us through registration will be kept confidential. At no time will the WPD give, sell, or release personal information without your prior consent.

Notice to Parents- Drop Off and Pick Up

Attention parents—it is your responsibility to walk your minor child to and from class. Dropping kids off in front of our building is considered a safety issue. If a child is left unattended after a class or activity for a long period of time, we will call the police.

Class Schedules

All classes listed in the brochure have dates that detail when the class will meet. If a class is missed during the scheduled session for instructor illness or other conflict, a "make-up" class will be added to the end of the session or a class will be extended. A note or a call from the park district, or a class announcement will communicate that change to you. We are only closed for major holidays. Again, please refer to the class schedule or call as we do NOT follow the school's schedule for all classes.
