Dear Residents,

It is hard to believe that I have been at Wauconda Park District for 20 years! We have seen a lot of changes to our programs and services during this time. It is my vision that we will continue to grow, exploring new options for you to recreate.

Program Guide – Beginning with this issue of the program guide, you may notice that we are changing when we publish the spring season of our guide series. Moving forward we will offer a Winter guide, Spring/ Summer guide, and a Fall guide. Staff felt it was important to make this change to provide summer programming information earlier, so that you can work out your schedules in advance.

Comprehensive Plan – We continue to plot our future by developing a Comprehensive Plan. I want to thank everyone who took time to complete our statistically valid survey. We are reviewing the results of this survey and look forward to meeting your needs. In January, we will publish an open survey on our website www.waucondaparks.com. This will give residents, nonresidents, and all park users an opportunity to provide feedback on our District.

In December, our Board, Staff, and Management team will hold workshops to discuss what we envision the District to look like down the road. Also, in January, we will hold similar workshops with key stakeholders in the community and different homeowner groups. Please keep an eye on our Facebook page and website for further updates on these workshops.

OSLAD Grant – In September, the District completed an OSLAD grant through the State of Illinois for renovations at Osage Park, including tennis courts, pickleball courts, basketball court, and Futsal court. The grant approval process takes some time, and the District expects to hear back from the State in December or January. If the District does not receive this grant, staff will continue to explore different revenue streams to assist in these improvements.

Winter Program Highlights – The Recreation staff has been busy planning a fun-filled winter for you. Parents need a night out with or without the kids. Check out our family friendly special events on page 8 including Mom and Son Bowling, Sweetheart Dance, Parents Night out, and Sunday Funday. Kids looking for something fun to give your favorite Valentine, checkout Valen-Slime or Big Bakers Valentine's Edition on page 17. Join the fastest growing sport in America, PICKLEBALL, on Tuesdays starting in January. More details about Pickleball on page 30.

Summer Employment – It's never too early to start thinking about summer. We have several seasonal positions open for those 15 years and older who are looking for a summer job. Positions include, parks maintenance, marina attendant, summer camp counselor, lifeguards, and Phil's Beach concession workers. When home for the Holiday or Spring Break, stop by our office or complete an on-line application. Our goal is to be fully staffed for summer by the beginning of April.

I hope you take time for family and friends this Holiday season. If the weather cooperates, go outside and have some fun! I look forward to seeing you soon at one of our programs or events. As always, our staff welcomes all comments and suggestions so give us a call at (847) 526-3610.

Sincerely,
Tim Staton, CPRP
Executive Director

Class Descriptions

For placement inquiries, please contact Meghan Reimers at mreimers@waucondaparks.com.

Creative Dance

Creative Dance blends movement, music, improvisation, and basic dance steps while providing an excellent introduction for the future study of all dance techniques. Students learn dance fundamentals while improving motor skills, self-expression, confidence, imagination and social development. Dancer must be fully potty trained, no pull-ups. This is a drop off class.

Pre-Ballet / Pre-Ballet and Tap

This program takes the basics of ballet technique combined with props and imagination and gives the children a fun and educational class. Large motor skills are highlighted as well as stimulating the brain's coordination. Pre-Ballet and Tap classes also explore rhythms and smaller motor skill. This is a drop off class.

Pre-Jazz

Jazz is a funkier form of dance. This is an introductory class with jazz basics to fun and kid-friendly music. Dancers will learn the beginning steps of jazz and work on picking up choreography sequences that fuse style and technique. This is a drop off class.

Pre-Modern

Modern Dance explores movement, space, rhythm and the dancer's own creativity with emphasis on momentum, shapes and patterns. It is inspired by nature, music, art and emotions. This class will contain a basic technique study and improvisation. This is a drop off class.

Ballet

As students grow, they naturally begin to dance as a form of expression and imagination. We capture this enthusiasm and incorporate it into our ballet program - emphasizing proper ballet technique with a focus on developing strength, alignment, musicality, and the grace that is inherent in the form. As students mature and their bodies develop strength, we transition to a more serious study of ballet technique that will prepare them to be both confident and technically proficient artists.

Hip Hop

Hip-Hop evolved out of street and break dancing and is characterized by its athletic and bouncy style. Hip-Hop is set to a strong, contemporary beat, builds stamina, and emphasizes body isolations, attitude, coordination, freestyle movement, and rhythm. This form of dance is seen in music videos.

Jazz

Jazz dance is an upbeat and performative style that is often seen in Broadway productions. While exploring many different stylistic preferences, students focus on principles such as syncopated rhythms, body isolations, precise technical skills, and choreography. Students will be exposed to various styles of jazz such as Broadway, Street and Contemporary to help develop a well-rounded dancer.

Lyrical

Lyrical is a fusion of ballet and jazz dance techniques. Lyrical dance challenges dancers to use motion to interpret music and express emotion. Lyrical jazz is a very passionate and emotional dance style. It portrays certain emotions and tells a story through every movement made.

Modern

Modern Dance develops strong creative dancers through the study of technique and improvisation with a focus on musicality, dynamics, floor-work and artistic expression. The class will provide students with the opportunity to create their own explorative movement within a structured class.

Musical Theatre

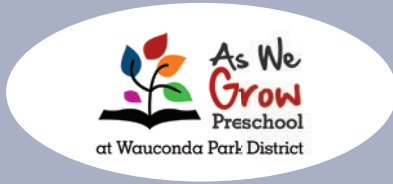

This class will focus on the execution of dance as a method of storytelling. In musical theatre, characters sing when emotion becomes too strong to speak and they dance when they are even further transported. This class will focus on Broadway style jazz. Students will enjoy music, singing and choreography inspired by various musical productions and will be encouraged to sing along!!

Tap

Tap focuses on developing coordination, precision, rhythmic skills, and musicality within both the Broadway and contemporary Rhythm-Tap styles. As students progress they further develop skills, focusing on clarity of sounds and increasing speed as well as dynamics and musicality.

Leaps and Turns

Leaps and Turns is a technique class designed to improve the overall ability of the students. Students will focus on conditioning, working to increase strength, extension, flexibility as well as turns with more precision and various leaps. This class is appropriate for students currently enrolled in dance classes, dance team and cheer.

Through carpet time, direct instruction, hands-on learning and independent play, the children are exposed to a curriculum that enhances their creativity and provides a positive atmosphere that helps build your child's love of learning! Field trips, guest speakers and holiday parties add to your child's enrichment as they prepare for kindergarten.

I'm A Big Kid Now (2-3 yrs)

Have you taken all our Parent/Tot classes? Is your two-year-old ready to try a class on their own? Each week we will have toys out for the children to play with to help ease the separation. After playtime, we will introduce the children to carpet time with songs, stories, and dance. The children will have a chance to try their hand at arts and crafts, too. Each class will also have a snack time to allow the children to sit together and socialize. Please inform us of any allergies at time of registration. We encourage parents to drop off and leave quickly as this aids in the children's transition to preschool. Children do not need to be potty trained, but a parent will need to return if changing is required. **This is a drop-off program.**

Not everyone who uses marijuana gets addicted.

Marijuana is addictive.

TWO TRUTHS

While marijuana may not be as addictive as other drugs, there are people who can't stop using it even though it interferes with their life.

What you want to know about marijuana and addiction:

All major scientific & medical organizations agree marijuana is addictive

Teens are most at risk for addiction because their brains are still developing

The more potent a drug, the greater the chance of addiction

To stay in control & increase your chances of success, choose to be drug-free.

You determine your future.

Photo/Privacy Policy

The Wauconda Park District uses photographs of participants in programs and special events to inform others about the recreational opportunities available in our community. We do not use identification in our brochure without prior consent. If you do not wish to have your picture taken, please inform the photographer. All personal information given to us through registration will be kept confidential. At no time will the WPD give, sell, or release personal information without your prior consent.

Notice to Parents- Drop Off and Pick Up

Attention parents—it is your responsibility to walk your minor child to and from class. Dropping kids off in front of our building is considered a safety issue. If a child is left unattended after a class or activity for a long period of time, we will call the police.

Class Schedules

All classes listed in the brochure have dates that detail when the class will meet. If a class is missed during the scheduled session for instructor illness or other conflict, a "make-up" class will be added to the end of the session or a class will be extended. A note or a call from the park district, or a class announcement will communicate that change to you. We are only closed for major holidays. Again, please refer to the class schedule or call as we do NOT follow the school's schedule for all classes.

Residency

To qualify as a resident, you must reside within the village. Households located in unincorporated Wauconda are considered NON-RESIDENT. If you are unsure, you can check your property tax bill to see what park district you pay taxes to. PROOF OF RESIDENCY MAY BE REQUIRED.

ADA/NISRA

The Wauconda Park District complies with the Americans for Disabilities Act. Persons with special needs are encouraged to contact the Park District regarding accommodations to our programs. You may also contact NISRA at (815) 459-0737, who can assist you with the programs and services they offer.
